I refer to your letter dated May 30, 1978 concerning your daughter, Loretta Chauis.

I visited the People's Temple Agricultural Project in Jonestown on November 7, 1978, and had a private conversation with Loretta. She identified herself with her United States passport and told me she was happy living at Jonestown. She added that she had written to you several months ago, but had not recently received a reply.

For your information, you may write directly to your dauther, c/o People's Temple Agricultural Project, P.O. Box 893, Georgetown, Guyana, South America. Or, if you prefer, you may send a letter to your daughter to us, and we will deliver it o on our next visit to Jonestown.
